OUR MISSION AND VISION

Vision

Success for ALL Students

Mission

The Pendleton Elementary School community strives to develop responsible and productive lifelong learners by building strong foundations in character and academics, and embracing technological skills necessary for all students to be college and career ready.

Values and Beliefs

- We believe our school should be guided by ethical strength.
- We believe students come first in priority and decision-making.
- We believe our school should be of a “servant spirit.”
- Our school embodies the qualities of stewardship.

GOALS

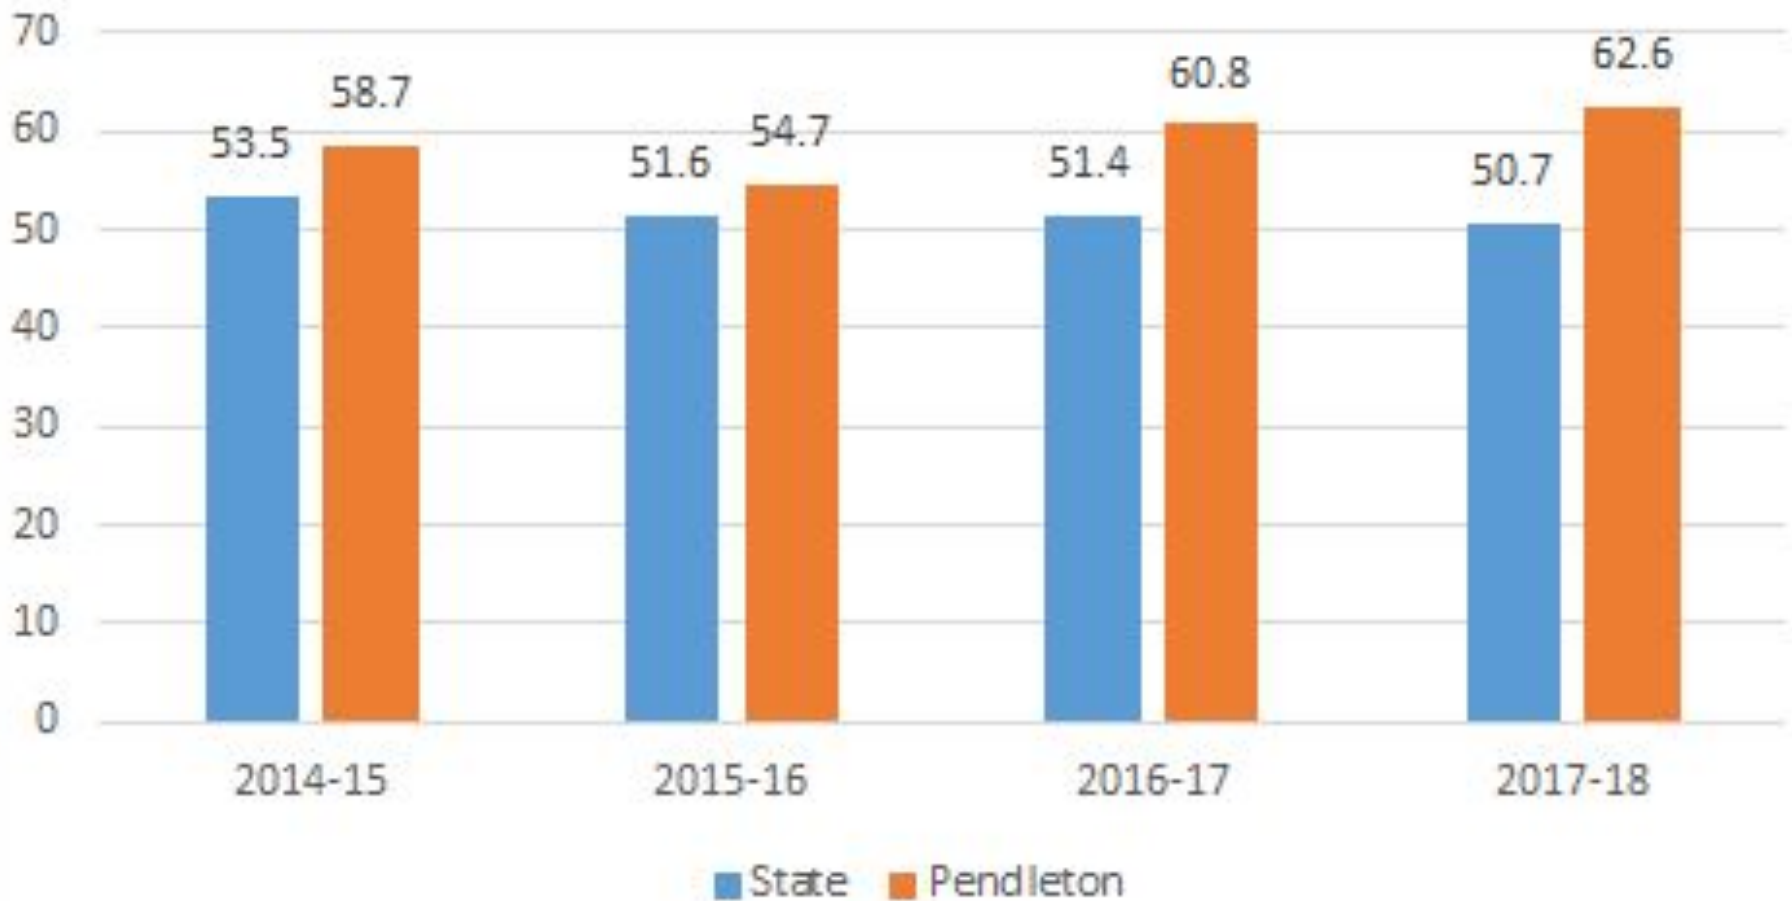

Pendleton Elementary will improve student Reading achievement and growth as measured by Indiana Standardized Assessments and NWEA.

Pendleton Elementary will improve student Math achievement and growth as measured by Indiana Standardized Assessments and NWEA.

We will obtain these goals by increasing professional development and reviewing our data in depth. We will be training our teachers on utilizing data to impact our quality instruction more intently.
